SUPPORT THE UNION THAT SUPPORTS YOU

After 1 May last year all employees who joined CPSU with a pre-existing work problem that they want addressed are now required to pay the real industrial cost of representation for that work problem (\$600 bond plus 1 year's dues plus d/d)

JOIN CPSU NOW

This new policy recognises the ongoing contribution of our existing members without whom CPSU would not be able to;

- ✚ negotiate Agreements which improve pay and conditions,
- ✚ run campaigns to improve workplace health & safety,
- ✚ represent members in restructures, grievances, reclass, & discipline actions,
- ✚ provide expert industrial, WorkCover and OHS advice 24/7
- ✚ participate in the ACTU's Rights at Work campaign.

The new policy encourages employees to join their union when they commence work, rather than only at times of crisis and to contribute to the positive developments at your workplace.

CPSU relies on membership resources to run all our campaigns and by joining CPSU; you can protect one of your most important assets - your Job!

Overleaf you'll find a CPSU membership application form.

AVOID a DISASTER.

Fill it in before you're in strife.
